

Each of the 435 exercises has a student version (answers blank), a master version (answers shown) for the teacher, and a set of boxed answers as shown below. Each box is 2.4 inches square. Main purpose of the boxed answers is to allow the preparation of answer sheets. Just cut out the box for each exercise used in the course, paste them on a single sheet, make copies, and hand out to students at the last lesson.

Exercise 1A17
Opening One-Bids

1. 17	5. 11	9. 13
17	15	14
1N	1♣	1♣
